¹ Monthly average balance on Your Genome Wallet shall be calculated taking the remaining Balance of Your Genome Wallet at the end of the day (23:59, Vilnius time) and dividing the sum from the number of calendar days in a relevant month.

² THE SHA payment instruction is applied to outgoing SWIFT transfers. You will pay for the transfer order while the beneficiary will handle the charges applied by their bank and any other intermediaries.

³ For payments in British Pounds within the United Kingdom, in case any faster and/or cheaper payment option is available, we will route the payment and adjust the fee accordingly.

⁴ If the payment has not yet been processed, we will issue a cancellation request; otherwise, we will initiate a payment recall.

⁵ In addition to any extra charges that may be incurred during the investigation.

⁶ Except Lithuania.
